I am now a volunteer for GFHS and answer the emails received for the 'Help-desk' from people all over the world. During 'lockdown' I have received many emails from visitors who would have come to Gloucestershire this year, but it is not possible of course. This fact prompted me to give away (for a donation to GFHS plus the cost of the postage) the above items, to bring their history to life even if they can't come to Gloucestershire.

Please note that a donation to Gloucestershire Family History Society PLUS the postage cost is required. The POSTAGE cost is in brackets against all items. For overseas postage, please email me for details.

If you would like to have any of the above items for a donation to GFHS, it is essential that you email me first and I will advise if the item is unsold and reserve it for you. I will also give further instructions on how to pay. For more information please email: [glosearch@hotmail.com](mailto:glosearch@hotmail.com)
